

LAKE ERIE COLLEGE

David French Scholarship 2012-13 Application

The David French Scholarship was established in 1994 to honor David French, a former history professor at Lake Erie College. It is awarded to a highly motivated incoming freshman. The scholarship is will be awarded to a student in the field of traditional liberal arts (fine/performing arts, foreign language, English, history, communications, math, psychology, political science, or social science major) or interdisciplinary studies (education major). Because David believed that properly motivated and supported students could achieve beyond the abilities easily measured by standardized tests, the criteria for awarding the scholarship will not include a minimum GPA.

The criteria to be awarded this scholarship are:

1. Must be an incoming full-time freshman.
2. Must be majoring in liberal arts or interdisciplinary studies.
3. Must be highly motivated and strong work ethic.
4. A letter of recommendation.
