## SUPPORT IN EVERY WAY...

The V.E.T.S. Program has a dedicated full-time coordinator who has served in the United States Armed Forces and has experience working with students as an educational administrator. Veterans interested in becoming students and students curious about veteran benefits connect with the LEC V.E.T.S. coordinator to discover and plan for available support.

### STUDENT VETERANS OF AMERICA

We have our own chapter of the SVA, STORM VETS, which is part of a nationally recognized student organization that promotes and plans social, educational and cultural events throughout the academic year for LEC veterans.

### YELLOW RIBBON PROGRAM

As a participant in the tuition-share program, LEC collaborates with the Veterans Administration to contribute significant funding for tuition and housing for students participating in the Yellow Ribbon program.
