Intent to Board Application Lake Erie College Equestrian Center

I, _____, intend to bring a horse to board at the Lake Erie
PRINT NAME
College Equestrian Center for FALL / SPRING semester of 20____. I understand this
CIRCLE ONE
letter of intent does not guarantee that I will be assigned a stall. Stalls are assigned on a first
come, first served basis with returning boarders given priority.

Once your tuition deposit has been received by the admissions office, you will be sent an official
boarding contract. Upon receipt of your boarding contract and \$100 boarding deposit at the
Equestrian Center, you will be added to the boarding list with the date of this "Intent to Board"
document as your priority number. Again, this does not guarantee a stall will be available for
your horse, but you will be put on the wait list and provided with a stall when one becomes
available.

I am interested in full care / partial care board.
