

Entrepreneurship Center Scholarship 2009-10 Application

Many students arrive at Lake Erie College with a passion for an area of deep personal interest, be it dance, poetry, a sport, horses or history. Often, students feel "pulled" between pursuing their passion and the practical concern of gaining a degree in a field that will lead to favorable employment. Programming through the Lake Erie College Center for Entrepreneurship provides opportunities to fill this gap between pursuing your passion and the need to earn a living. The Future Entrepreneur Scholarship was established by the Center for Entrepreneurship in 2008 to provide scholarship support for students involved in entrepreneurship. Two \$2,500 awards will be given for the 2009-10 academic year.
