Paul Weaver Alumni Scholarship 2009-10 Application

Paul Weaver served as president of Lake Erie College from 1951 through his retirement in 1976. As the first male administrator, he made numerous changes to assure the survival of the college. During his tenure, the high wrought-iron fence isolating the college from the community was torn down, eight new buildings were erected, and Garfield Senior Center was established. Weaver also instituted the mandatory winter term abroad for all juniors. The Paul Weaver Alumni Scholarship was established in 1966 by a gift from the alumni in his honor.
