HUNTER DERBY SCHOOLING

Flat schooling (or jump schooling in the warm up ring only) for the Hunter Derby will be offered after the course is set on Saturday afternoon (approximately 11:30-12:30pm). Management may limit the amount of horses permitted to school in the ring at a time.

ORDER OF GO

Coaches must show order of go for their teams on the entry blank. **Teams will go as drawn by representatives or a show official. Drawing will be held on Friday, shortly after 6pm at Exhibitors' Party.** For the first round the first rider from each team will go first, etc. The order of go for the final round will be determined by the total team faults accumulated during the first round and the team with the greatest number of faults will go first. For the second round, the number of teams may be limited to 8 teams per division, except where ties need to be broken.

AWARDS PRESENTATION

A Formal Awards ceremony will be held on Sunday afternoon following the last ride. The top 3 teams in each division are requested to participate on foot in show attire. The Charles E. Kinney Jumper Style Award will be presented during this time.

CARRIAGE PARADE and PRESENTATION OF DIGNITARIES and GUESTS

Immediately prior to the Parade of Teams, a parade of horses and carriages will bring honored guests and dignitaries into the arena.

PARADE OF TEAMS

The Parade of Teams will take place following the completion of the jumper schooling and drag on Sunday. All teams are asked to be present on foot in full show attire.

SCORING FOR TEAMS

USEF Table 2.2(a). Best three performances out of four to count for each team. Scores from both rounds will be totaled and the team with fewest faults will win.

TIES FOR TEAMS

In case of equality of faults for first, second, or third place, one Junior or Amateur from each team in the tie (to be chosen by coach) will compete in the jump off. If there is an equality of faults in the jump off, the rider with the best time will win. Riders for all teams in the jump off must be chosen before the first rider in the jump off begins.

INDIVIDUAL CHAMPIONSHIPS

The individual champion will be a Junior or Amateur rider who has accumulated the least number of faults in the two rounds of team competition. In case of ties for first, second, or third place, there will be a jump-off over a shortened course. In the event of equality of faults, time will be the deciding factor. If there is a rider completing for individual championship that is also chosen as the rider to break the tie for the team, the rider will only jump off once. That jump-off score will count as the individual and team score.
